WORK EXPERIENCE

SAT tutor

Jun 2025 - Jan 2026

- Provided 1-on-1 SAT tutoring (Math & Evidence-Based Reading and Writing) to high school students preparing for U.S. college admissions.
- Designed personalized study plans based on diagnostic tests and performance analytics.
- Increased a student's SAT score from 800 to 1450 within 5 months through structured strategy training and targeted practice.

English Club- Core Team - Pacific Links Foundation

Nov 2025 - now

- Organized and hosted monthly English-speaking workshops with 100+ university students per session to foster communication confidence.
- Designed and developed the full examination content for a large-scale English competition attended by 300+ scholarship students.
- Created test sections assessing grammar, vocabulary, reading comprehension, and critical thinking skills.
- Coordinated judging criteria and evaluation standards to ensure fairness

English Academic Presenter & Workshop Trainer

Jun 2025

- Delivered academic presentations and English-learning workshops to 100+ high school students.
- Shared self-study strategies for achieving high SAT and IELTS scores.
- Recognized for strong public speaking and structured instructional delivery.

Founder & Academic Developer – Anki-Based Vocabulary Project

2023- 2025

- Developed and customized an Anki-based spaced repetition system to improve English vocabulary retention for high school students.
- Self-taught CSS and JavaScript to optimize flashcard interface and learning efficiency.
- Organized training workshops and guided students in applying active recall and spaced repetition techniques.
